## Searchability

ATS Tip	<span>✖</span> Adding this job's company name and web address can help us provide you ATS-specific tips.
Contact Information	<span>✖</span> We did not find an address in your resume. Recruiters use your address to validate your location for job matches. <span>✔</span> You provided your email. Recruiters use your email to contact you for job matches. <span>✔</span> You provided your phone number.
Summary	<span>⚠</span> We did not find a summary section on your resume. The summary provides a quick overview of the candidate's qualifications, helping recruiters and hiring managers promptly grasp the value the candidate can offer in the position.
Section Headings	<span>✔</span> We found the education section in your resume. <span>✖</span> Name your experience section "Work History" or "Professional Experience" for ATS to recognize work sections. <span>✖</span> Your Work Experience section appears empty. We recommend that this section should showcase at least one listing, even if it is just an internship or a personal project.
Job Title Match	<span>✖</span> The job title 'computer programmer' from the job description was not found in your resume. We recommend having the exact title of the job for which you're applying in your resume. This ensures you'll be found when a recruiter searches by job title. If you haven't held this position before, include it as part of your summary statement.
Date Formatting	<span>✖</span> ATS and recruiters prefer specific date formatting for your work experience. Please use the following formats: "MM/YY or MM/YYYY or Month YYYY" (e.g. 03/19, 03/2019, Mar 2019 or March 2019).
Education Match	<span>✔</span> The job description does not list required or preferred education, but your education is noted.

## Recruiter Tips

<b>Job Level Match</b>	⚠️ No specific years of experience were found in this job description. Focus on matching your skills and qualifications to the role's requirements. Consider how your experience, regardless of duration, aligns with the job's key responsibilities before applying.
<b>Measurable Results</b>	⚠️ We found 1 mentions of measurable results in your resume. Consider adding at least 5 specific achievements or impact you had in your job (e.g. time saved, increase in sales, etc).
<b>Resume Tone</b>	✅ The tone of your resume is generally positive and no common cliches and buzzwords were found. Good job!
<b>Web Presence</b>	❌ Consider adding a website or LinkedIn url to build your web credibility. Recruiters appreciate the convenience and credibility associated with a professional website.
<b>Word Count</b>	✅ There are 335 words in your resume, which is under the suggested 1000 word count for relevance and ease of reading reasons.
